KELLY & SEUN · **STYLE GUIDE**

THEME

COLOUR COCKTAIL

Colour is the highlight of this celebration. Guests are invited to explore different shades and combinations and choose colours that reflect their personal style.

From bold and vibrant to soft and understated, feel free to wear the colours you love. Have fun with colour while keeping your look elegant, polished, and effortlessly chic.

Come in colour, come in style, and celebrate!

AN OUTDOOR AFFAIR

We'll be celebrating outdoors from **4pm** into the evening, so dress for the warm Lagos air. Choose light, breathable fabrics like linen, cotton and chiffon, and go for long-wear makeup that keeps its glow. A light layer will be welcome once the sun sets.

DO

- Wear colour — bold, soft, or both
- Mix shades, tones and prints
- Keep it elegant and polished

DON'T

- All-white or all-black looks
- Casual wear, denim or trainers
- Heavy fabrics that trap the heat
